BAND APP

We invite you to join the Empower Dance Information '23-'24 Band Group on the Band App. This group is a great way to stay informed about studio updates, important reminders, competition and performance info, and a chance to engage with your team and teachers. If you haven't received an invitation, please let Heather Childs know. The main feed is only for staff members to post information pertaining to the whole studio. Your individual team chat is available to communicate with other moms on your dancer's team.

Dress Code/Costuming

Studio Gear

We will be ordering new backpacks and jackets this fall. As part of the Empower uniform dancers will be required to have their own pair of black leggings. Dancers are allowed to use their jackets and bags from last year or they have the option to purchase new ones.

*New members to the studio will be required to purchase a backpack and jacket.

*The following teams will be required to purchase a new jacket: Perfection, Premiere, Prestige, and Pulse

*The following teams are highly encouraged to purchase a new jacket: Paramount, Pre-eminent, Paradise, and Prodigy

Team tops/outfits for choreography classes will be chosen by the team's choreographer this year. They will cost \$65 or less. The coaches will post ordering instructions on Band and it will be the parent's responsibility to order the specified team outfit. Dancers are required to wear these to their team choreography class as part of the Empower dress code.

Dress Code

Following the dress code takes effort and shows that the dancers are serious about improving and developing their dance skills. Adhering to the dress code also shows respect towards the teacher and the dance style they are studying.

**If a student comes unprepared to a class the front desk will call home and let a parent know. If they aren't prepared the following week they will again receive a call home but will also sit out of class and not be allowed to dance. If dress code violations become a problem with a dancer, a teacher/parent meeting will be arranged.

Choreography Classes - Team top/outfit chosen by choreographers and black leggings

Ballet Classes - ANY colored leotard, PINK ballet tights, PINK ballet shoes, and hair in a tight bun. Pizzazz, Petite, and Prime are allowed to wear their team outfit for their ballet class on the day that they have choreography (Wednesdays). They must still wear pink tights and shoes over their team outfit.

Technique, Diversity, Tumbling - Tight dance clothes that allow the dancer to move freely. **NEW** for this year...Each dancer needs to keep a pair of black socks and a pair of any type of dance shoe in their dance bags at all times for classes. Examples: canvas or leather pirouette shoes, jazz shoes, gore boots, etc.

Hip Hop - Comfortable clothing that won't restrict movement and **tennis shoes**. Shoes for competitions will be specified at a later date and parents will be responsible to purchase them.

Hip Hop Competition Shoes - Wednesday night Hip Hop teams will be using the Old Skool black and white Vans. All other Hip Hop teams will be using white Nike Air Force shoes.

Competition Turn Shoes - Older teams will dance barefoot at competitions. Petite, Prime, Pizzazz, Platinum, Pursuit, Prosper, and Poise will need nude lyrical turn shoes for technique and choreography classes. They can be purchased from dancewearolutions.com, amazon, or at local dancewear stores. We use the Women's Capezio Leather Pirouette Dance Shoe. Even though it says it is a woman's shoe, the sizes range from child to adult. The XS will fit our smallest dancers.

Makeup

We will be using the same makeup as last year and everything can be bought online through Ulta or in their store. Specific instructions on how to apply the makeup will be sent out at a later date. The required items are listed below and their links can be found on the website:

Eye Palette - Ulta Pressed Powder Palette. Color: Feelin' Bubbly. \$14

Blush - ColourPop Super Shock Blush. Color: Growth Flirt. \$9

Lipstick - NYX Lingerie Lip Stain. Color: Untamable. \$10

Eyelashes - False eyelashes that compliment your child's face are required. An example can be found on the website.

Solo Costumes

Solo costume requests must be made through your choreographer. The window for your choreographer to request costumes on your behalf is October 1-October 15. We do not allow duplicate costumes within our studio so if a costume is already being used your request may not be accepted. Please have back up costumes ready to request. Returns, refunds, and exchanges will not be allowed for solo costumes. You are responsible to pick the size of costume you would like ordered. Please ask a member of the costume committee for help if you are unsure of your daughter's measurements. The following sites are the approved companies that you are able to request costumes from:

Weissman - weissmans.com, **Kelle** - kellecompany.com, **Revolution** - revolutiondance.com, **Reverence** - reverencedance.com

Empower Policies and Expectations

Absences

Every class is MANDATORY and necessary for the development and success of each dancer. If a dancer becomes ill we prefer that the dancer still attend their classes when possible and sit and observe. If a dancer is too sick for class, injured, or out of town a parent must inform their coach through text, phone call, or a message on Band. If absences become excessive, a meeting will be arranged with the student, a parent, and Misty. If absences continue the dancer will be pulled out of their routines.

Positivity and Unity

At Empower we are a family and we cheer each other on. As dance parents the best thing we can do for our kids is to provide as many opportunities as we can and be our child's biggest cheerleaders. When your dancer is feeling defeated, cheer them on and uplift them. Let the teacher be the teacher, and focus on being the parent your dancer needs. Please talk positively about other dancers, teachers, and our studio as a whole. We understand that some days will be great days and others may be hard for our dancers. Both days are important in a dancer's journey and they will need you to help them along the way.

Sportsmanship

At Empower we pride ourselves in supporting each other as well as dancers from other studios. When we are at competitions and conventions please remember that you are representing our studio and we expect exceptional sportsmanship from our parents and students. Please refrain from any negative talk towards or about others at all times.

Confidentiality

We don't discuss what competitions we will be attending with dancers from other studios. We also ask that the videos of our choreography not be shared until after our final competition. Pictures are allowed and encouraged to be shared on social media.

Competitions

Dancers are expected to arrive 90 minutes before their first routine with their hair and makeup done and wearing their Empower uniform. It is important to watch and cheer for other Empower teams and we ask that you always try to stay for awards.

Costumes

When costumes are brought home by your dancer they become your responsibility. Please care for the costumes by steaming them and keeping them hung up at all times. Parents play a part in helping with costumes and we may ask for help with things like rhinestoning.

Dinner/Snack Breaks

Dancers will have snack and dinner breaks worked into their schedules. Please send healthy snacks and dinner when needed. Dancers will be in charge of cleaning up after their own meals and help to keep the lobby and outside areas clean and free from trash. If a parent brings in a meal for the entire team we ask that the parent stays or arranges for the meal to be cleaned up afterwards. All trash from the meal, including items like pizza boxes, will need to be taken outside to the dumpster. Please NO food or drinks except water in any of the dance rooms.

Team Mom Expectations

Thank you for helping out as a Team Mom! We are excited for a great year and wouldn't be able to do it without your help. Please don't get overwhelmed...every team is full of awesome moms that are willing and able to help.

Managing Band

You should all be a part of the Team Mom Chat on our Empower Band Group. Please use this forum to ask questions, exchange ideas, and communicate between yourselves as well as staff members. Please don't answer any questions from moms without verifying the answer with a staff member. We will frequently post information that you will need to post asap in your individual team chats. We also will use this chat to coordinate costume try ons, rhinestoning, and any other issues that may come up.

Parties

Helping each team get to know each other and become unified is a big part of having a successful year. We ask that you coordinate at least 2 team parties throughout the year so the girls can enjoy being together outside of dance.

Birthdays

We ask that team moms recognize dancers during the week of their birthday (or their half birthday if it's during the summer). It's always fun for the girls to feel special when celebrating their birthdays at the studio. Ideas that have been done in the past are bringing the dancer her favorite treat, giving a card the team has signed, bringing donuts for the team, etc.

Competition Snacks

You have the option of coordinating team snacks for each competition. Many venues are strict about what is allowed inside the dressing rooms so we ask that the snacks be discreet, won't create a mess, and won't ruin costumes. We also prefer to not have colored drinks around costumes so if drinks are brought please bring water or non colored juices.

Team Gifts

Some teams prefer to use the money that would be spent on team snacks to purchase a team gift. Please coordinate this with your other moms and we ask that you don't overspend as this can create a financial burden on families. Gifts that have been done in the past are blankets, bracelets, necklaces, water bottles, sweatshirts, etc.
